ST. PETER'S KEYS

KEEP SHINING!!!

March 4, 2024

CLASSROOM CORNER

Be cheerful with joyous celebration in every season of life. Let your joy overflow! And let gentleness be seen in every relationship, for our Lord is ever near.

Philippians 4:4-7

As you are reading this, we have officially kicked off "Celebrate St. Peter's" week. March is the perfect month to celebrate. It tends to be the month we need a little bit of extra fun. Waiting for the warmer weather sometimes seems disappointing. This week provides us with celebrating together as a school. We will be sporting crazy hair, crazy socks, pajamas and more. We will participate in reading challenges as well as some fun relay races.....exercising our minds and bodies!

Sometimes the school year can seem endless, but we should remember to celebrate all year because we are blessed to be at St. Peter with students, teachers and staff that celebrate education and the Lord. Even during those endless days of homework and tests CELEBRATE!

Fourth and Fifth graders are plugging along. We are preparing 5th graders for middle school and getting ready for state testing and finishing up projects. The downhill ride will go fast! We have dived into science and will be finishing up chapter presentations for our class science day. In ELA, we are using the RACES strategy to create thorough written responses that provide text evidence. Math has us learning new topics while reviewing old topics with centers and computer programs. We will be working on some US History projects soon, while completing the Liberty Kids cartoon series.

Enjoy the ride and celebrate daily!
