KEEP SHINING!!!

CLASSROOM CORNER

Miss Kreutz's Classroom Update

"Trust in the Lord with all your heart and lean not on your own understanding; in all ways submit to Him, and He will make your paths straight." Proverbs 3:5-6

Third graders have been doing a fantastic job in Reading and Math! We love reading! We are just beginning a unit in Reading about Cultures. We have been reading about various cultures, foods, clothing, and families. We just read a story called "Jalapeno Bagels." The class will be sampling them with cream cheese, butter, and/or hot pepper jelly.

In Math, we are working on fractions. We will also be doing more in-depth work on bar graphs, pictographs, and line graphs.

Science has been really exciting! We just started a chapter on Living Things in Ecosystems. We will be learning about Food Chains and Food Webs, Adaptations, and How Living Things Change Their Environments. Also, in preparation for our chapter on animals, we ordered butterflies. We will have the opportunity to observe them go through metamorphosis to become butterflies. It will be an amazing sight!

In Social Studies, 3rd graders are beginning a chapter on Working in Communities. We are learning about Life in a Farming Community, How Communities Make Goods, and The World Around Us. Soon, we will be studying New Orleans. We will be reading about Louis Armstrong and Jazz, Cajun music, Zydeco music, and food. One of the most popular treats in New Orleans are beignets, a French doughnut. Miss Kreutz will be bringing in an electric frying pan to make beignets for the class. It is a delicious treat!

In Bible Studies, 3rd graders are just finishing up a Unit on How God Hears and Answers His People. We have studied if God hears and answers our prayers, how we talk to God, how we live for Christ, why we pray "Thy Kingdom Come", for what should we pray, how God helps us resist temptation, how God delivers us from evil, and why we can pray with confidence. These students love our discussions in class that share our thoughts, prayers, and questions. *We are really **Shining** in our Faith and Love for Christ!*

Mrs. McKie's Classroom Update

"Let your light shine before men, that they may see your good works, and glorify your Father which is in heaven."
Matthew 5:16

That has been our bible verse for this school year and as we are ending the year it is just as important, if not more. This year has flown by, it is hard to believe that this is my last St. Peter's Keys article of the year. It seems like yesterday I was writing my September article welcoming everyone.

It is May and in 4th and 5th grade we are currently wrapping up everything. Students just finished all their state testing and some even completed it for the first time on the computers. We will be learning about what happens to Winnie in Tuck Everlasting. In science and social studies we will be spending time working on projects that display what we have learned throughout the year, with a fun twist and incentives to keep us motivated. Math teams will show off their skills and compete for some fun prizes.

The end of the year is an exciting time, but it can also be a tad frustrating for some. Students are ready to start summer vacation, not learn any more. This verse reminds us that we need to continue to shine even though it may be hard to do our best. We need to continue to let our light shine for others to see!
