# ST. PETER'S KEYS

KEEP SHINING!!!

October 30, 2023

## CLASSROOM CORNER

"I praise you, for I am fearfully and wonderfully made."  
Psalm 139:14

Fall Greetings from First Grade! It's hard to believe that we have completed two months of school already! How is that even possible? Time is marching right along as we continue to learn and accomplish so many new and exciting things! We are officially experts at taking Spelling Tests and reciting Memory every Friday. We've also had our first taste of homework. First Graders love showcasing their reading skills every Friday afternoon to their Fourth Grade Book Buddies. Most weeks, First Graders read the book that they practiced all week for homework. Fourth Graders are left feeling impressed by these near-perfect readings. It is a class favorite activity.

In Math, we are beginning subtraction! The boys and girls are enjoying practicing this new skill, especially on computers during centers. In Science, we are learning about the following animal classifications: Mammal, reptile, bird, and amphibian. We are also busy studying what animals need to live, how they eat food, and how they can best protect themselves. WNY Tiny Petting Zoo even visited us! We had the opportunity to pet and hold rabbits, chickens, and ducks. We even got to walk the goats on a leash. It was the perfect way to celebrate all our hard work!

Last, thank you to everyone that attended First Grade Chapel. It was a blessing to share all the ways in which God made us special. Keep up the fabulous work First Graders!

Sincerely,  
Mrs. Laura Sage
